EDUCATION

|08/24-06/26 enrolled: University of Illinois at Urbana-Champaign| Currently enrolled: University of Illinois at Chicago|
|Bachelor of Science in Mechanical Engineering | Expected graduation May 2029| |GPA: 3.40/4.00|

Related Coursework:

Computer Aided Design, Mechanics, Electricity and Magnetism, Calculus 3, Differential Equations, Strength of Materials

TECHNICAL SKILLS

CAD: Fusion360, SolidWorks, KiCad

Engineering skills: Matlab, python, arduino, leadership, ANSYS, GD&T

Tools: Soldering, 3D Printing, Power Tools, Welding

Certification: Certificate in Basic Construction, Osha 10 hour

WORK EXPERIENCE

Mechanical Suspension Lead Engineer at Formula Baja-SAE, September 1st, 2026 – Present

- Guiding a team of 11 in weekly meetings and collaborating with other leads.
- Communicating across 7 different sub-teams
- Designing complex suspension geometries for iterations of baja vehicles.
- Simulating loads and axial forces on suspension members.
- Designing the upright for current generation Baja vehicles.

PROJECT HIGHLIGHTS

Baja Offroading Vehicle Suspension Geometry design

- Designed a double wishbone Front and rear suspension for baja vehicles.
- Simulated and optimized jacking forces.
- Documented every action and collaborated with multiple sub-teams.

SolidWorks Engine Build |Personal|

- Modeled a fully constrained 4-cylinder engine assembly in SolidWorks with 5 moving components
- Created detailed engineering drawings applying GD&T principles
- Developed motion animations to simulate piston and crankshaft behavior

EXTRACURRICULAR ACTIVITIES & LEADERSHIP

Illinois Space Society Champaign, IL *Spaceshot: Structures and Avionics Engineer*

August 2024 – January 2026

- Contributed to structural and avionics design for amateur rocketry systems
- Performed analysis on previous flight data to improve design iterations
- Collaborated across subteams to integrate structural and electronic components

Intramurals & Run club Champaign, IL *Intramural Soccer: Co-Captain*

September 2026 – Present

- **Formula Baja SAE - Suspension Lead engineer**
