WORK EXPERIENCE

Fresh Thyme Market Joliet, IL *Deli Lead* May 2025 – Present

- Provided Customer service in a fast-paced environment while balancing school commitments
- Trained 3 new employees on workflow and customer interaction standards

PROJECT HIGHLIGHTS

Newton's Cradle Parade Float | UIUC ASME | August 2024 – October 2024

- Designed and analyzed a structural support system for a large-scale 5' x 8' Newton's Cradle demonstration.
- Applied statics and material principles to ensure stability under dynamic loading.
- Collaborated in a 4-person team to fabricate and assemble the structure within project deadlines.

SolidWorks Engine Build | Personal |

- Modeled a fully constrained 4-cylinder engine assembly in SolidWorks with 5 moving components
- Created detailed engineering drawings applying GD&T principles
- Developed motion animations to simulate piston and crankshaft behavior

EXTRACURRICULAR ACTIVITIES & LEADERSHIP

Illinois Space Society Champaign, IL *Spaceshot: Structures and Avionics Engineer*

August 2024 – January 2026

- Contributed to structural and avionics design for amateur rocketry systems
- Performed analysis on previous flight data to improve design iterations
- Collaborated across subteams to integrate structural and electronic components

Intramurals & Run club Champaign, IL *Intramural Soccer: Co-Captain*

August 2024 – May 2026

- Co-founded and co-led an intramural soccer team, organizing participation and team coordination

July 2026 – Present
